

### Service Hours

The following organizations are approved for service hours. If you have any other organizations that you would like to work with, please see the Campus Minister for approval.

- Any service done for your Church Parish
- Service done at public/private schools
- parish municipal services (ex: park & rec, library)
- nursing homes and hospitals (not individual doctor offices)
- publicly run afterschool programs (not private daycare centers)
- Summer camps run by non profit organizations (ex: AOL, ICS, Shaw)
- Non-profit animal shelters (ex: ARNO, PAWS)
- Food pantries and soup kitchens (ex: Second Harvest)

Please note that the following activities do not count toward the service hour requirement:

- Teaching dance at private dance studios
- Any work done for a profit organization
- Any school event that you are required to attend through a school club
- Altar serving/choir at Masses that fulfill Sunday/Holy Day obligations

Service hours are one way to give back to our community and fulfill Jesus' mandate to reach out in brotherly love and service to the less fortunate. Therefore, there should be no monetary compensation for service hours used to fulfill your school requirement.
