

Academy of Our Lady Summer School Summer 2011

Academy of Our Lady will offer Summer School to students to remediate failures or to improve grades in courses previously completed. In order for students to be enrolled in Academy of Our Lady Summer School, all students must have written permission from their principals. All course work will be online using virtual learning systems.

Our online program provides students with a challenging curriculum. Students are guided by certified teachers through the online courses. They will be monitored daily by Academy of Our Lady teachers. Computer labs and laptops will be available to the students.

Please be aware of this rule when scheduling any family vacations or any summer performance camps.

Final report cards will be mailed as students complete their coursework. One report card will be sent to the school the student attended for the 2010-2011 school year, and a copy will be sent to the student's home.
